*An October 10 report in "La Prensa" states that four people were arrested in Bariloche October 1 in the break up of a terrorist cell. The report states that the arrestees were transferred to Mendoza, where they were being interrogated. A relative of a disappeared who lives in Mendoza told us in late November that the Vera couples were under arrest in Mendoza. The reported arrests in Bariloche and AI's report of disappearances in Rio Negro are probably related.
